# Billing by department of civil service.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

# Hiring freeze; exceptions.

Sec. 205. (1) Beginning October 1, a hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause loss of revenue to the state, result in the inability of the state to receive federal funds, or necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report by the last business day of each month to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the justification for the exception.

# Contingency funds.

Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$10,000,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

- (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$3,500,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,000,000.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$200,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

# Privatization; project plan.

Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months.

# Transmission of reports via electronic mail; use of Internet.

Sec. 208. The department shall continue to pilot the use of the internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on the internet or legislative intranet site. The senate and house of representatives appropriations subcommittees and senate and house fiscal agencies shall be notified in writing of the internet or intranet site of any such report. Quarterly, the department shall provide a cumulative listing of the reports submitted during the most recent 3-month period along with the internet or intranet site of each report, and a list of those reports expected to be transmitted in the following quarter.

#### Purchase of foreign goods or services.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

# Businesses in deprived and depressed communities; contracts to provide services or supplies.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both, for the department. The director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies, or both.

# Reimbursement for expenses.

Sec. 211. It is the intent of the legislature that personnel of the department who request and are eligible for reimbursement of expenses related to the operation of the department be reimbursed from the appropriations provided in this act within 30 days after submitting a request, or the eligible personnel shall be paid an additional amount equal to 0.75% of the payment due. The department shall pay an additional amount equal to 0.75% of the payment due for the first month and each succeeding month or portion of a month the payment remains past due.

# Matching requirements; use of state spending increase.

Sec. 212. Of the state general fund/general purpose revenue appropriated in this act, \$89,229,400.00 represents a state spending increase over the amount provided to the department of state police for the fiscal year ending September 30, 1994, and may be used to meet state match requirements of programs contained in the violent crime control and law enforcement act of 1994, Public Law 103-322, 108 Stat. 1796, or successor grant programs, so that any additional federal money received supplements funding provided to the department of state police in this act.

# Receipt and expenditure of forfeiture money.

Sec. 213. The department is authorized to receive and to expend upon receipt any federal or state forfeiture money. Each quarter, the department shall notify the state police appropriations subcommittees of the house and senate and the house and senate fiscal agencies of the receipt of any federal or state forfeiture money. If funds are expended beyond the appropriations for federal or state forfeiture money enacted in part 1, the department shall notify the house and senate subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

# Evaluation or promotion of employee; number of motor vehicle citations issued as basis prohibited.

Sec. 214. Any law enforcement entity receiving GF/GP funds from this act shall not evaluate an employee or consider an employee for promotion or assignment on the basis of motor vehicle citations issued.

#### Sex offenders registry website.

Sec. 215. (1) Money appropriated under this act shall be used to maintain a sex offenders registry website on the internet. The website shall be capable of being linked to and immediately be accessible from the websites of public officials, including legislators.

The sex offenders registry website shall contain a listing of all those persons in the state convicted of a sex offense and required to be registered with the state under the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.732. Persons listed on the sex offenders registry website shall have information listed about them including, but not limited to, their name, aliases, date of birth, address, physical description, including, by December 31, 2001, a photograph, and a list of sex offenses of which they were convicted.

(2) There are sufficient funds appropriated in part 1 for maintaining the accuracy of the information contained in the sex offender registry website. The department shall assign sufficient personnel to ensure the accuracy and completeness of information concerning each registrant on the website by verifying the accuracy of registrants' addresses on a regular basis. The department shall vigorously apprehend and prosecute those who fail to comply with the sex offenders registration act.

#### Contractual services.

Sec. 216. (1) It is the intent of the legislature that the department shall not provide any subsidy for contractual services it provides.

- (2) When the department provides contractual services to a local unit of government, the department shall be reimbursed for all costs incurred in providing the services, including, but not limited to, retirement and overtime costs.
- (3) Contractual services provided to an entity other than a local unit of government may be provided by department personnel, but only on an overtime basis outside the normal work schedule of the personnel.
  - (4) This section does not apply to state agencies.

#### State-owned aircraft.

Sec. 217. In conjunction with the department of transportation, the department of state police shall develop plans for the maintenance, scheduling, and use of all state-owned aircraft. It is the intent of the legislature that these plans maximize the safe and cost-efficient use of the state transportation air fleet. Whenever feasible, the department shall lease King Air aircraft from the department of transportation for its air transportation needs. The department shall prepare a joint report, coordinated by the department of transportation, on the development of these plans.

#### Creation and retention of reports.

Sec. 218. The department shall create and retain copies of reports for all money appropriated under part 1.

# Casino gaming oversight report.

Sec. 219. Not later than March 15, 2002, and September 30, 2002, the department shall report to the state police appropriations subcommittees of the house and senate and the house and senate fiscal agencies. The report shall contain the following information regarding the department's activities related to casino gaming oversight:

- (a) The amount of money received and expended.
- (b) The nature and structure of the casino gaming oversight unit.
- (c) The positions and classifications of employees assigned.
- (d) The number of full-time and part-time employees and the aggregate number of FTEs.
  - (e) The number of enlisted and civilian positions.
  - (f) The duties and responsibilities of the assigned employees.
  - (g) The immediate past position of the enlisted employees assigned.

# VIN of vehicles entered into state accident data collection system; availability to public.

Sec. 220. The department shall collect and computerize the vehicle identification number (VIN) of all vehicles that are entered into the state accident data collection system and make this and other vehicle information available to the public at cost. For bulk access to the accident records in which the VIN has been collected and computerized, the department shall make those records available to the public at cost, provided that the name and address have been excluded.

# Report of school violence or conduct; toll-free hotline.

Sec. 221. From the funds appropriated in part 1, the department shall maintain a toll-free hotline in collaboration with the department of education. The toll-free hotline shall be operated 24 hours per day, 7 days per week, and shall provide students, school officials, and other individuals an opportunity to report specific threats of imminent school violence or other suspicious or criminal conduct by juveniles to the appropriate local law enforcement entities for investigation.

# At-post troopers; level.

Sec. 222. It is the intent of the legislature that all reasonable efforts be undertaken to achieve a level of 1,349 at-post troopers.

#### DEPARTMENTWIDE APPROPRIATIONS

#### State police post in Marshall; rental costs.

Sec. 251. Of the funds appropriated in section 103 for rent and building occupancy charges, funds shall be used for the necessary rental costs for the state police post in Marshall.

### SUPPORT SERVICES

# Public safety communications system.

Sec. 301. (1) Money appropriated under section 113 for the Michigan public safety communications system shall be expended upon approval of an expenditure plan by the state budget director.

- (2) The department of state police shall assess all subscribers of the Michigan public safety communications system reasonable access and maintenance fees.
- (3) All money received by the department of state police under this section shall be deposited to the state general fund pursuant to section 443 of the management and budget act, 1984 PA 431, MCL 18.1443.
- (4) The department of state police shall provide a report to the house and senate appropriations committees, house and senate fiscal agencies, and the state budget director on April 15, 2002, and on October 15, 2002, indicating the amount of revenue collected under this section and deposited to the state general fund for the immediately preceding 6-month period.

#### HIGHWAY SAFETY PLANNING

# Secondary road patrol and traffic accident enhanced grants program.

Sec. 401. In addition to the money appropriated in section 105 and section 109, the department may receive and expend state restricted funds for the support of the secondary road patrol and traffic accident enhanced grants program and training to local units in accordance with section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e. Expenditures for the support of the secondary road patrol and traffic accident enhanced grants and training to local units program shall not exceed revenues received. If funds are expended beyond the appropriations for the secondary road patrol and traffic accident enhanced grants program and training to local units enacted in part 1, the department shall notify the house and senate subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

#### CRIMINAL JUSTICE INFORMATION CENTER

# Law enforcement information network; report on access and use.

Sec. 501. A portion of the funds appropriated in section 106 for the criminal justice information center shall be used by the department to produce a written report detailing departmental policies regarding access to and use of information from the law enforcement information network. The report shall include a description of departmental measures to protect the security of information in the law enforcement information network including safeguards that would prevent unauthorized persons from obtaining information from the law enforcement information network. The department shall deliver a copy of this report to the senate and house appropriations committees no later than April 1, 2002.

# Law enforcement information network; unauthorized access or misuse.

Sec. 502. The criminal justice information systems policy council shall encourage members of the law enforcement agencies in the state to be sensitive to, and note when necessary, activities or circumstances that may suggest the unauthorized access or misuse of information from the law enforcement information network. The criminal justice information systems policy council shall advise LEIN auditors, as a part of their audit of law enforcement agencies, to investigate in depth all suspected incidents of improper access or improper use of information from the law enforcement information network and determine whether or not those incidents were illegal. In those incidents which may be determined to be illegal, the executive secretary for the council shall determine whether those incidents were of a negligent or criminal nature. When an incident is determined to be an illegal act, the council shall inform the chairs of both the senate and house appropriations committees.

#### CRIMINAL JUSTICE DATA CENTER

# LEIN mainframe computer system; payment of service and contract maintenance costs.

Sec. 601. The money appropriated in section 107 for computer services shall be funded by LEIN user fees sufficient to pay 1/3 of the service and contract maintenance costs of the LEIN mainframe computer system.

# Obtaining probation information; establishment of method.

Sec. 604. (1) It is the intent of the legislature that the department of state police explore the feasibility of establishing a method by which police officers can easily and readily obtain probation information concerning a person.

(2) The department shall report its findings to the appropriations subcommittees on state police and military affairs of the senate and house of representatives on or before January 15, 2002.

#### FORENSIC SCIENCES

# Allocations to Detroit crime lab and Detroit police special events account; report.

Sec. 701. It is the intent of the legislature that from the grant to the city of Detroit under section 108 an amount of \$431,400.00 be allocated by the city to supplement the city's appropriations for the Detroit crime lab and an amount of \$289,900.00 be allocated by the city to the Detroit police special events account. The city of Detroit shall provide a report to the department detailing the expenditures made and the services provided from the money appropriated for the grant. This report shall be forwarded by the department to the house and senate appropriations subcommittees on state police, the house and senate fiscal agencies, and the state budget director by January 15, 2002.

# Retaining and purging DNA analysis samples and records; protocol; distribution; changes.

Sec. 702. (1) The department shall distribute a copy of the department's protocol for retaining and purging DNA analysis samples and records to each police agency in this state.

(2) The department shall report to the house and senate appropriations subcommittees on state police and the house and senate fiscal agencies whenever any changes to the department's DNA protocol are made.

# Sexual assault cases; evidence collection by health care providers.

Sec. 703. In conjunction with the Wayne County prosecutor's office, the department shall develop recommendations regarding evidence collection by health care providers in sexual assault cases, taking into consideration cases in which evidence has been ruled inadmissible or otherwise unavailable in a court prosecution. The department shall forward those recommendations to the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies by December 31, 2001.

#### COMMISSION ON LAW ENFORCEMENT STANDARDS

#### Maintenance and delivery of training to locals; reimbursement.

Sec. 801. The money appropriated to the COLES for maintenance and delivery of training to locals is provided in accordance with a state reimbursement policy in which 100% of the determined state reimbursement rate shall be distributed upon certification by the COLES.

### Community policing.

Sec. 802. The money appropriated in section 109 for community policing coordination shall be used by the department to work in conjunction with local criminal justice agencies to implement and update an appropriate curriculum to support community policing. The department shall work as a coordinator to deliver community policing training.

#### Content and application of federal firearm laws; curricula.

Sec. 803. From the appropriations in section 109 for the training of new Michigan state troopers, other new police officers in the state, and the continuing education of all law enforcement officers in the state, sufficient funds shall be used for the purpose of including curricula on the content and application of federal firearms laws, including the procedures necessary for law enforcement to use to turn appropriate cases over to the federal bureau of alcohol, tobacco and firearms or any other applicable federal criminal justice agency.

#### FIRE MARSHAL

#### Report.

Sec. 901. (1) The department shall prepare a detailed report and deliver it to the senate and house subcommittees on the state police not later than May 15, 2002.

- (2) The report shall contain input from a delegate appointed from and by the following organizations:
  - (a) Michigan fire chiefs association.
  - (b) Michigan state fireman's association.
  - (c) Michigan firefighter's union.
  - (d) Michigan fire service instructors association.
  - (e) Michigan fire inspectors society.
  - (f) Michigan chapter of the international association of arson investigators.
- (3) The report shall contain information about the quality and adequacy of service from the state fire investigation, education, and training under the reorganization of the fire marshal division responsibilities. The report shall be based on the performance of the fire marshal division in the performance of its fire safety duties during the first 6 months of fiscal year 2001-2002.

#### **EMERGENCY MANAGEMENT**

# Protection of life or property or provision of health or safety of population; expenditures by state director of emergency management; training.

Sec. 1001. (1) The state director of emergency management may expend money appropriated under this act to call upon any agency or department of the state or any resource of the state to protect life or property or to provide for the health or safety of the population in any area of the state in which the governor proclaims a state of emergency or state of disaster under 1945 PA 302, MCL 10.31 to 10.33, or under the emergency management act, 1976 PA 390, MCL 30.401 to 30.420. The state director of emergency management may expend the amounts the director considers necessary to accomplish these purposes. The director shall submit to the state budget director as soon as possible a complete report of all actions taken under the authority of this section. The report shall contain, as a separate item, a statement of all money expended that is not

reimbursable from federal money. The state budget director shall review the expenditures and submit recommendations to the legislature in regard to any possible need for a supplemental appropriation.

(2) In addition to the money appropriated in this act, the department may receive and expend money from local, private, federal, or state sources for the purpose of providing emergency management training to local or private interests and for the purpose of supporting emergency preparedness, response, recovery, and mitigation activity. If funds are expended beyond the appropriations enacted for these purposes in part 1, the department shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

#### UNIFORM SERVICES

# Roadblock or check lane; prohibition.

Sec. 1101. The department shall not expend any portion of the money appropriated in this act, including any expenditure made under an executive order, to plan for or to implement a roadblock or check lane system that has as its primary objective the deterrence or detection of intoxicated drivers in this state.

### Maximum number of troopers; maintenance.

Sec. 1102. It is the intent of the legislature that the department maintain the maximum number of troopers on the road from the available money appropriated in this act.

# State police enlisted personnel employed to enforce traffic laws; powers and duties.

Sec. 1103. State police enlisted personnel who are employed to enforce traffic laws as provided in section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e, shall not be prohibited from responding to crimes in progress or other emergency situations, and are responsible for protecting every citizen of this state from harm.

#### SPECIAL OPERATIONS

# Aviation program; disposition of proceeds from sale of aircraft.

Sec. 1201. In addition to the appropriations in section 113 to the department of state police for the aviation program, the department is authorized to sell its aircraft and the proceeds from the sale are appropriated and may be applied to the renovation cost of replacement aircraft. If funds are expended beyond the appropriation enacted in part 1 for the aviation program, the department shall notify the house and senate subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

Sec. 1202. From the funds appropriated in section 113, the department shall fund 1/3 the cost of an aeronautics safety officer position within the department of transportation to coordinate safety functions between the department, the department of transportation, and the department of natural resources. It is the intent of the legislature that the safety officer position shall be jointly funded by the 3 departments in equal shares.

 $<sup>\</sup>textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$ 

#### CRIMINAL INVESTIGATIONS

# Opening temporary or permanent prison; downgrading state police services prohibited.

Sec. 1301. (1) There is sufficient money appropriated in section 114 to criminal investigations to ensure that the citizens in a service area of any state police post in the vicinity of a state prison do not experience a downgrading of state police services in their area. Criminal investigations shall be available by temporary or permanent assignment of a detective when either a temporary or permanent prison facility is opened.

(2) If the department is unable to comply with subsection (1) and there is a prison scheduled to open, the department shall provide troopers to serve as investigators on an interim basis.

# Private security guard, private detective, burglar alarm contractor, and railroad police regulation; standards for license holders.

Sec. 1302. Funds appropriated under section 114 for private security guard, private detective, burglar alarm contractor and railroad police regulation shall be used in part to develop minimum standards for license holders. Those standards shall be forwarded to the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies by December 31, 2001. In addition to the funds appropriated, the department may receive and expend state restricted funds for the support of this program. Expenditures for the support of the private security guard, private detective, burglar alarm contractor and railroad police regulation unit shall not exceed revenues received. If funds are expended beyond the appropriation for this unit enacted in part 1, the department shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

#### MOTOR CARRIER ENFORCEMENT

# School bus inspections.

Sec. 1401. The appropriation in section 115 for school bus inspections shall be used by the department of state police to inspect each school bus and pupil transportation vehicle annually, as required under section 715a of the Michigan vehicle code, 1949 PA 300, MCL 257.715a, and section 39 of the pupil transportation act, 1990 PA 187, MCL 257.1839. The department shall award a certificate to a school system if the system's school buses all received a 100% successful state inspection upon the first inspection in a given year.

This act is ordered to take immediate effect. Approved July 20, 2001. Filed with Secretary of State July 23, 2001.
